Government Arts and Commerce College, Khergam, will be observing the International Women's Day on 8th March 2021. As part of the celebrations we are organising a webinar on "The Role of Women in Women Empowerment" at 11.00 am on Google Meet.

The webinar and related events aim at creating awareness and providing the necessary tools to the youth to be forces of change in the society and world at large.

The primary themes chosen for the webinar include:

- 1) Inheritance of female suppression by women--breaking the chain
- 2) Toxic masculinity--a failure of women in their female roles
- 3) The female reluctance to be responsible for one's own wellbeing

The IQAC team and department of History would like to invite you to deliver the keynote speech on this occasion. The Webinar is expected to begin at 11.00 am and conclude around 1.00 pm.
