

## Welcome Ceremony

01 August 2023

On a welcome ceremony was organized for the students of 3<sup>rd</sup> year B.Sc. and 1<sup>st</sup> year M.Sc. in Physics Department. Principal Dr. Sarvade J.P. as the chief guest of the program. Head of department Prof. Dr. Veer S.S. Sir as president of program.

Veer Sir, while expressing his presidential message, gave information about the physics department and the subject of physics and welcomed the students with a bouquet of flowers and wished them good luck for the future. And advised to work hard for your own progress. 40 students and all faculty members of the department attended the program. Some students expressed their happiness to be a member of Physics department.

Prof. Raut Madam, Coordinator of this program, gave a vote of thanks. Dr. Shinde sir did.

## **Visit the library**

12th August 2023

Head of the department Prof. Dr. Veer S.S. under the guidance of August 12 is celebrated as National Library Day on the birth anniversary of Dr. Ranganathan. Dr. Ranganathan is known as Father of Library Science. College Principal Professor Dr. Jeevan Sarvade Sir was felicitated by placing a wreath on Dr. Ranganathan's image by Veer Sir. A total of 250 students visited the college library on National Library Day. College librarian Professor Gaikwad Madam showed the students books, magazines and newspapers from various sections of the library and allowed them to read. It was informed that the college library has around 25000 books and daily 20 and local and national newspapers and around 40 magazines are coming to the college every month. In this visit students read textbooks, reference books, autobiography and research papers etc. Prof. Holkunde Sir Professor Raut Madam and Professor Dr. Shinde Sir were present on behalf of the department in this library visit activity.

## Chandrayaan-3

23<sup>rd</sup> August 2023

Chandrayaan 3, launched by ISRO on July 14, 2023 from Sriharikota, was going to successfully land on the south pole of the Moon on 23/08/2023, so that the students could experience the landing, Hon. Shri Harshvardhanji Patil Saheb, President of the Institute had given special instructions to the Department of Physics. Responding to these suggestions, the head of the department Prof. Dr. Veer S.S. arranged to install a projector in the auditorium of the physics department so that the students of the college could see the actual launch of Chandrayaan-3 on a big screen. In this, nearly 400 students of the college witnessed the landing of Chandrayaan-3 and as soon as Chandrayaan-3 reached the south pole of the moon, all the students and teachers cheered in unison and left the hall chanting Bharat Mata Ki Jai. This joy was celebrated by all the students. Prof. Kamble A.V. of the department to carry out this program. Prof. Holkunde V.C. Prof. Dr. Shinde S.K. Prof. Raut S.A. & Prof. Patel S.H. saw the work.

## Teachers Day 2023

September 5, 2023,

Arts, Science, and Commerce College, Indapur, celebrated Teacher's Day, commemorating the birth anniversary of Dr. Sarvapalli Radhakrishnan, the second President of India. The program was presided over by Dr. Veer S.S. with Prof. Kamble as the chief guest. The event began with a wreath-laying ceremony at Dr. Radhakrishnan's bust.

In his presidential address, Dr. Veer highlighted Dr. Radhakrishnan's contributions to the Indian education system, including his role as the chairman of the first Indian University Commission. Dr. Veer applied to the students to plant one tree each, and the **Department of Physics took the lead by planting ten trees in the college premises**. The program was attended by 80 students and all the professors of the department.

Prof. Holkunde coordinated the event, and Prof. Patel delivered the vote of thanks.

## **Personality Development Workshop**

5<sup>th</sup> August 2023

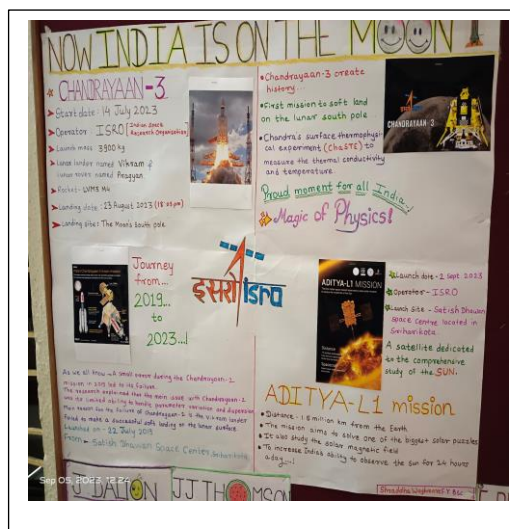

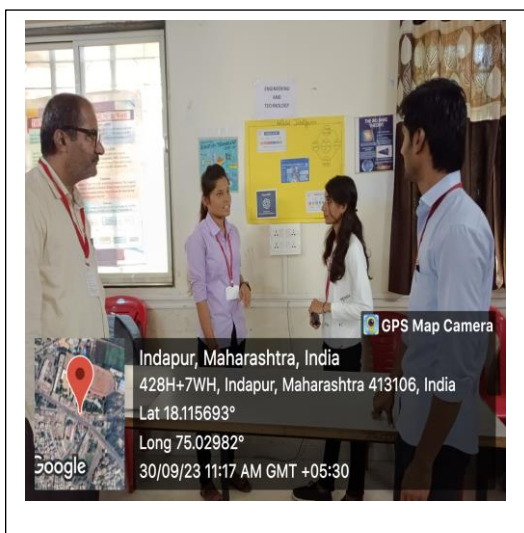

In order to develop all-round students and increase their confidence. A one-day workshop on personality development was organized on behalf of the Department of Physics under the guidance of Prof. Dr. Veer S.S. and the chief guest was the senior professor of the college, Nanvare Sir. In the presidential speech, Veer Sir explained the importance and meaning of personality development to the students. 170 students of the college participated in this workshop. In this workshop, Prof. Holkunde V.C. tried to develop the personality of the students through various types of action & interaction. This workshop created new awareness among the students and also increased their confidence. All the faculty members of the department attended the program. The workshop was moderated by Professor Patel S.H. and vote of thanks was done by Prof. Kamble A.V.

## Poster Presentation

30<sup>th</sup> Sept 2023

Under Savitribai Phule Pune University, Pune, a college level poster presentation competition was organized at College of Arts Science and Commerce, Indapur to give scope to the latent talents of the students. Dr.Sarvade J.P. he cut the ribbon. Students from various departments of the college participated in this competition. The first three ranked students in this competition were selected for the invention competition held in the university. In this competition Sheikh Alfiya and VinayaPriya Bale from Physics Department bagged the first position. Head of Department of Physics Prof.Dr.Veer S.S. he was felicitated and honored on his behalf. Students participating in this competition from Physics Department Prof.Dr. Shinde S.K. , Prof. Raut S.A. and Prof. Patel S.H. they got invaluable guidance.

## Guest Lecturer

March 23, 2024,

Prof. Dr. Veer S. S. and Prof. Dr. Shinde S. K. organized a lecture to encourage students to pursue research opportunities. The program was chaired by Prof. Dr. Veer S. S., with **Dr. Swapnil Kardile joining online from Japan as the guest lecturer**. Dr. Kardile emphasized the significance of scientific research for the country's progress and social welfare, highlighting the vast scope for students in this field. He also informed them about various national and international research scholarships. The lecture sparked interest in research among the students.

In his presidential address, Prof. Dr. Veer S. S. assured the students that the Department of Physics would support their research endeavors. The program was attended by approximately 180 students from first-year B.Sc. to second-year M.Sc.

Prof. Kangude G. S. coordinated the event, and Prof. Gadekar S.S. delivered the vote of thanks.

## National Science Day 2024

28Feb 2024

On the occasion of Science Day, celebrated on 28th February to commemorate Dr. C. V. Raman's Nobel Laureate Day, a lecture was organized under the guidance of Prof. Dr. Veer S.S. by Head of Department, Prof. Dr. Shivaji Bhosle (S. P. College, Pune). The program was presided over by Principal Prof. Dr. Sarvade J. P. and graced by chief guest Prof. Dr. Veer S. S. Dr. Bhor, Head of the Art Department, and Dr. Umbardand, Head of the Commerce Department, were also present.

Prof. Dr. Sarvade emphasized the importance of science to the students, while Prof. Dr. Shivaji Bhosle encouraged them to explore opportunities in science and adopt a scientific approach. To mark the occasion, the Department of Physics organized a **Physics Quiz Competition** and **Basic Physics Model competition**, coordinated by Prof. Dr. Shinde S. K. and assisted by Prof. Kamble A. V. Nearly 600 students attended the program, with 200 registering for the competitions. Prof. Patel S.H. delivered the vote of thanks.

## **Research Center Visit**

26 Feb 2024

A group of around 50 students from B.Sc.and M.Sc.Physics program at Shardabai Pawar Arts, Commerce and Science Women's College, Baramati, visited the Appasaheb Pawar Research Laboratory under the guidance of Professors Raut S.A., Dr. Shinde S.K., Gadekar S.S., Kangude G.S., and Patel S.H. During the visit, the students got hands-on experience with various equipment and gained valuable knowledge. The primary objective of the visit was to inspire students to focus on research, which was successfully achieved. The Head of the Department, Dr. Veer S.S.and the Principal of the College, Dr. Sarvade J.P., provided valuable guidance and support for the research center visit.

## **Farewell ceremony**

Dated 03 April 2024

The last program of the academic year 2023-24 is the Farewell Ceremony. A special bond is formed between the students and the college. Today on 03rd April 2024 on behalf of Department of Physics 3<sup>rd</sup> Year B.Sc. & 2<sup>nd</sup> year M.Sc. To bid farewell to students, this farewell ceremony program was organized by Head of Department Physics. It was done under the guidance of Dr. Veer Sir. Principal of the college Dr. Sarvade Sir was present as the Chief Guest and Prof. Dr. Veer Sir, Head of the Department was present in the chair. While expressing his thoughts, the Principal wished the students for their future and for the next exams. On the valedictory day, recreational games and lunch were organized for the students by the department. On this occasion, some students expressed their gratitude towards the College & Physics Department and some gifts were given to the Physics Department on behalf of the students. This program was supported by all the professors of the department. Raut S. A.  
A vote of thanks was given by Prof. Holkunde Sir believed.
