

ARTS SCIENCE AND COMMERCE COLLEGE INDAPUR
DEPARTMENT OF BOTANY
NURSERY VISIT REPORT
Academic Year 2025-2026

Excursions are arranged to give exposure to students. Field education is equally important as classroom teaching. It adds vigor in learning processes and relieves monotones of indoor education. Field study is an essential part of botany as plants are best studied in their natural habitat. These tours also help to build good repo amongst students and teachers. As a part of B.Sc. Curriculum, Nursery visit was organized by Department of Botany, Arts Science and Commerce College, Indapur on 30 September, 2025 for S.Y. B. Sc. Botany students. The major objective was to familiarize the students with the various ornamental, medicinal, and fruit plants and to understand nursery management practices. A group of 23 students were accompanied by Dr. B. B. Mahadik, Dr. P. S. Kabnoorkar and Mr. N. A. Gore of Botany department.

Date of Visit : 30 September, 2025
Name of Nursery : Shri siddhivinayak nursery, Solapur - Pune Hwy, Indapur,
Maharashtra 413106
Students Participated : 23

The nursery visit was highly informative and practical. Students learned about various plant species, propagation techniques, soil management, and nursery maintenance practices. This visit enhanced the understanding of plant biology and commercial plant production.
