ABOUT THE COLLEGE

Arts, Science and Commerce College, Indapur, Dist. Pune is run by *Indapur Taluka Shikshan Prasarak Mandal*. It is an educational institution which was established in 1938. This college was established in 1972. This college is located close on the bank of *Bhima* river i. e. near *Ujjani* Dam. Our college is one of the leading academic institutions at the south-east region of the Pune district. Indapur is a town located on National Highway No. 65, 135 km away from Pune city. Indapur has a historical significance, the record of history shows that it was the land of *Jahagiri* of Late *Malojiraje Bhosale*. This is a dam affected area in which 22 villages have been displaced due to the construction of dam. It has received best college award, best principal award, best innovative teacher award, best programme officer award, best student award etc.

THEME OF WEBINAR

Geographic information systems, or GIS, are computer systems for managing, analyzing, and displaying geographic information and data. GIS can show many different kinds of data on one map. This enables users to more easily see, analyze, and understand geographic patterns and relationships. GIS is very important in various fields like Telecom and network services, Urban planning, Transportation planning, Environmental impact analysis, Agricultural planning etc. Objective of webinar is that students from geography subject must be know the importance of GIS in geography.

SPEAKER AND TOPIC

DR. GAJANAN DHOBALE - GIS AND DATA

WHO SHOULD ATTEND?

This webinar is specially organized for students from SYBA, TYBA, SYBSc, TYBSc and MA class. Each student from above class can attend this webinar.

REGISTRATION

- Registration is Free for webinar and is open up to 01st June 2020, Time 9.30 am.
- The workshop will be hosted on the ZOOM app.
- It is mandatory to register by Google form link - <https://forms.gle/CQEDUqa5M9Q9PJ7S7>

GENERAL INSTRUCTIONS

- Maximum number of students is limited to 100 on first come first serve basis.
- E certificate will be provided to all actively participated students on registered e-mail ID after submission of feedback form.
- Download ZOOM app in your mobile or PC or laptop.
- Meeting ID and Password is sent on Whatsapp group.
- Join to webinar on 9.30 am on 01/06/2020.
- Mute your speaker and stop video at the time webinar.
- Ask your questions in chat when webinar is going on (in zoom app).

Report of Webinar on

Geographical Information System (GIS) and Data

(Date : 1st June 2020, Time: 10.00 am to 11.00 am on Zoom Apps)

(Only For Geography Students)

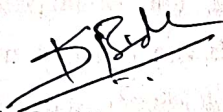

Geographic Information Systems, or GIS, is computer based systems for managing, analyzing, and displaying geographic information and data. GIS can show many different kinds of data on one map. This enables users to more easily see, analyze, and understand geographic patterns and relationships. GIS is very important in various fields like Telecom and network services, Urban planning, Transportation planning, Environmental impact analysis, Agricultural planning etc.

Hon'ble Harshawardhanji Patil Saheb, (President, ITSPM) and governing council of institute always motivates us to organize learning based activities for students. The Department of Geography has organized the webinar on Geographical Information System (GIS) and Data on 1st June 2020 only for students from Geography subject using the Zoom platform under the guidance of Dr. Sanjay Chakane, Principal. Objective of the webinar is that students from the geography subject must know the importance of GIS in geography. Dr. Gajanan Dhobale was invited as resource person for this webinar. He has experience with various computer softwares regarding GIS and also using these softwares in research work.

Prof. Gajanan Meshram, Head of Department, Arts, Science and Commerce College, Indapur, welcomed the Dr. Sanjay Chakane, Principal, Arts, Science and Commerce College, Indapur, resource person Dr. Gajanan Dhobale, teachers and participants. Dr. Sanjay Chakane gave the brief idea of a webinar. He also explained the need and importance of GIS technique for future development of the country. He motivated the students with various examples regarding use of GIS and GPS. Mr. Sandip Shinde gave a brief introduction of a resource person. He said that Dr. Dhobale has completed their M.Phil and Ph. D. in Geography subject using GIS. He also used knowledge of GIS in research papers, education fields etc. Dr. Dhobale delivered a very nice lecture on GIS through a powerpoint presentation for the participants. He explained the concept of GIS, historical background of GIS, basic concepts of GIS, softwares of GIS, applications of GIS with the help of images, diagrams, graphs and tables. Students appreciated his lecture and got knowledge of GIS. In the questions and answers session,

students asked some questions like is it useful in government schemes, in which area we get service when we get knowledge of GIS, shall I use this technique in agriculture field and how etc. Dr. Dhobale answered all questions and cleared all doubts of students regarding GIS. Mr. Atmaram Phalphale gave vote of thanks to Hon'ble Harshawardhanji Patil Saheb, (President, ITSPM), Dr. Gajanan Dhobale, Resource Person, Dr. Sanjay Chakane, Principal, Prof. Gajanan Meshram, Head of Department and all teachers and participants.

Total 89 students and 05 teachers participated in the webinar through Google form link. Online Feedback of participants was collected and analyzed. Certificate of participation issued to students and teachers who participated in the webinar.
