Report on QUIZ on Geography

Date: 19/08/2023

Department of Geography regularly organizes various activities for the students to develop personality and enhance their skills. Continuous assessment is one of the aspects of the Choice Based Credit System (CBCS) to evaluate students overall progress. With reference to this, it is decided to organize the quiz on Geography subject for the First Year B. A. (Division B) students (Sem 1) for the course 'Physical Geography'. This quiz is organized after the completion of first chapter of the geography syllabus which is prescribed by University for First Year B. A. The main objective of quiz is to assess and evaluate the knowledge of first chapter of the syllabus – 'Introduction to Physical Geography'. Another objective is to check attainment of the course outcomes.

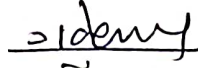

To achieve objectives, QUIZ on Geography organized in the regular class on 19/08/2023. Students divided into two parts – Group 'A' and Group 'B'. All the rules and instructions explained to groups. Total 10 questions asked to each group. The nature of the questions were objective type or students may give answers in two to three sentences. Students gave positive response for this activity.

Total 24 students were actively participated in this activity. First of all, students tried to speak in class while giving the answers of questions. Questions were asked on the first topic and subtopic of the syllabus – Introduction to Physical Geography. Total 20 questions were asked and out of these students gave 16 answers of questions correctly. They discussed the questions and answer among them. Each student shared their opinion on the questions. As per my observations, students answered the question confidently. This activity also helped to students who are intelligent but have shy personality regarding giving answer in class. Students got experience regarding QUIZ. This activity also helped to develop their personality.

Students were submitted their feedbacks orally in class and online. Students were happy to share their views regarding this activity. As per feedback, students were happy and interested to organize again this type of activities in the class. Confidence level of students also increased through this activity. Students suggested that continue this type of activity after completion of each topic of syllabus.
