**Report of Online Multiple-Choice Exam conducted on the occasion of  
'Winter Solstice' - December 2023**

**Date: 30/12/2023**

---

The Department of Geography successfully conducted an online multiple-choice exam (<https://quizzory.in/id/65733afd2f1f80091f9df988>) in celebration of the 'Winter Solstice' on December 22, 2023, spanning from 8 am to 8 pm. The event, themed around Geography, featured questions carefully selected from past Maharashtra Public Service Commission (MPSC) exams.

**Objective and Theme:**

The primary objective of the event was to commemorate the Winter Solstice, a significant astronomical occurrence happening annually on December 21<sup>st</sup> or 22<sup>nd</sup>. The theme of the exam centered around the field of Geography, with all questions meticulously curated from various past Maharashtra Public Service Commission (MPSC) exams.

**Participation Statistics:**

A total of 151 students enthusiastically participated in the Winter Solstice exam. The diverse engagement showcased the interest and commitment of students to the subject of Geography.

**Online Format:**

Utilizing modern technology, the exam was conducted entirely online, provided a convenient and safe platform for students to showcase their geographical knowledge. Participants were able to access the questions and submit their answer through a secure platform. This format not only facilitated a seamless experience for candidates but also adhered to safety measures, allowing individuals to participate from the comfort of their homes. The use of modern technology ensured a smooth and accessible experience for all participants.

**Question Selection:**

All questions were meticulously curated from various previous MPSC exams, offering a comprehensive test of participants' geographical understanding. This approach aimed to challenge students while reflecting the high academic standards upheld by the Department of Geography.

**Flexible Timing:**

The event's extended timeline, from 8 am to 8 pm, allowed participants flexibility in choosing the most suitable time to undertake the exam. This accommodative approach catered to varying schedules, promoting inclusivity among geography enthusiasts.

**Analysis:**

A total of 151 students participated in the Winter Solstice exam. As per result analysis, the average marks of the students are 12 marks (average 40 %). In this exam, the highest marks are 28 (93 %) and the lowest marks are 3 (10 %) (Table 1). Average number of correct responses are 60 (40 %). As per difficulty index, out of 30 questions 23 questions are medium difficult (31 % to 80 %) and 07 questions are difficult (80 % <) (Table 2).

**Online Feedback:**

Out of the 151 participants, 27 students took the initiative to submit their feedback online (<https://forms.gle/AJ13crvDUYSdpTFi6>). This valuable feedback will play a pivotal role in assessing the effectiveness of the exam, understanding participant experiences, and identifying areas for improvement.

As per feedback near about 90 % students noted that they liked method of online multiple-choice exam, questions which are related to geography subject and optimal duration of exam. Most of the students liked this activity, they learned and satisfied with this activity. They also suggested to organize this type of activity regularly. 22 % of the students faced the technical issue during online exam. Opinion regarding nature of questions or difficult level was medium as per students' feedback.

**Next Steps:**

Following the event, the Department of Geography will analyze the responses to determine results. The feedback received from the 27 participants will be instrumental in refining future exams and ensuring an enhanced experience for all.

**Conclusion:**

The Winter Solstice Online Multiple-Choice Exam not only celebrated the astronomical event but also served as a platform for students to showcase their geographical acumen. The active participation and feedback received underscore the success of the event and pave the way for future initiatives that continue to promote learning and excellence in the field of Geography. The Department of Geography expresses gratitude to all participants and looks forward to building on this success in future endeavors.
