**Report on Students' Participation in Live Streaming of Chandrayaan – 3
Landing on the Moon**

Date: 25/08/2023

Chandrayaan – 3 is one of the proud movements not only for India but also world. It is one of the steps ahead towards the Moon. This is a significant step forward for Indian Science, Engineering, Technology and Industry. Before Chandrayaan – 3, ISRO (Indian Space Research Organization) was also launched Chandrayaan - 1 and Chandrayaan – 2. The event Chandrayaan – 3 was broadcasted live on 23rd August 2023, starting from 17.27 hrs IST. The live coverage was available via multiple platforms, including the ISRO website (<https://www.isro.gov.in/>), ISRO's official YouTube channel (ISRO Official'), ISRO's Facebook page (<https://www.facebook.com/ISRO>), and DD National TV channel.

As per the circular of UGC D. O. No. 2-52/ 2023 (CPP-II) dated 21st August 2023, the Higher Education Institution were requested to organize special assemblies from 5.30 pm to 6.30 pm and encourage students and faculty for active participation and watch LIVE streaming of Chandrayaan – 3 landing on the Moon to witness this momentous occasion.

On the behalf of this, Department of Geography appealed to students who are from Geography Department, to participate in live streaming of Chandrayan-3 landing of the Moon on 24th Aug 2023. Notice regarding participation in live streaming of Chandrayaan was shared on WhatsApp's groups of students. Teachers were also told notice to students in the various classes. The information such as link of ISRO YouTube channel and subject of notice shared among the various of WhatsApp's group of students. In this notice department was appealed students to share their screenshots of live streaming of Chandrayaan – 3 on WhatsApp's of Dr. Sandip Shinde (9404734868). Some primary/ basic information regarding Chandrayaan - 3 was discussed in the class.

Total of 41 students were actively participated in this event. Out of this, 23 students from FYBA, 07 students from SYBA, 04 students from SYBSc, 05 students from TYBA, 01 students

from TYBSc and 01 students from MA class were participated and sent screenshots of Live streaming of Chandrayaan – 3. After landing of Chandrayaan – 3, various related aspects discussed in the class. Students shared their views and information in the class. Students were happy and curious to know what happened after landing of Chandrayaan – 3.

Screenshots sent by students who participated in Live Streaming of Chandrayaan-3 Landing on the Moon Date: 24/08/2023

The image displays a collection of 20 screenshots from a smartphone, arranged in a 4x5 grid. Each screenshot shows a different WhatsApp conversation. The messages include:

- Text messages:** Various short messages, some with emojis, and longer text blocks. Examples include "Hi", "The sender is not in your contact list", "Report", "Block", "Message", and "This is not a WhatsApp message".
- Image messages:** Several screenshots show images being sent, including a person's face, a landscape, and a document.
- Voice messages:** Some screenshots show voice notes with a play button icon.
- Media gallery:** One screenshot shows a grid of images, likely from a media gallery or a photo album.
- WhatsApp interface:** The screenshots show the standard WhatsApp interface, including the status bar at the top, the chat header with the contact's name and profile picture, and the chat area with messages and a keyboard at the bottom.

The screenshots are arranged in a grid, with each row containing five screenshots and each column containing four. The overall layout is a 4x5 grid of individual chat snippets.

D.O.No.2-52/2023(CPP-II)

21st August, 2023/ 30 श्रावण 1945

Subject: Chandrayaan- 3 Mission

Respected Madam/Sir,

As you are aware India's pursuit of space exploration reaches a remarkable milestone with the impending Chandrayaan-3 Mission, poised to achieve a landing on Moon. This marks a significant step forward for Indian Science, Engineering, Technology, and Industry.

The landing of India's Chandrayaan-3 is a monumental occasion that will not only fuel curiosity but also spark a passion for exploration within the minds of our youth. It will generate a profound sense of pride and unity as we collectively celebrate the prowess of Indian science and technology. It will contribute to fostering an environment of scientific inquiry and innovation. The Hon'ble Prime Minister of India will also join the Nation in witnessing this momentous occasion.

The event will be broadcasted live on August 23, 2023, starting from 17:27 hrs IST. The live coverage will be available via multiple platforms, including the ISRO Website (<https://www.isro.gov.in/>), ISRO's official YouTube channel (ISRO Official'), ISRO's Facebook page (<https://www.facebook.com/ISRO>), and DD National TV channel

The Higher Education Institutions are requested to organize special Assemblies from 5.30 PM to 6.30 PM and encourage students and faculty for active participation and watch LIVE streaming of Chandrayaan-3 landing on the Moon to witness this momentous occasion.

With kind regards,

Yours sincerely,

(Manish Joshi)
